SUMMARY

Results-driven **Data Science and Analytics** enthusiast with a solid foundation in **Python, SQL, Statistics, and Machine Learning**. Skilled in **data cleaning, exploratory data analysis (EDA), data visualization, and predictive modeling** using tools such as **Excel, Power BI, Pandas, and Matplotlib**. Experienced in working with **real-world datasets** through academic and self-driven projects, demonstrating the ability to **extract actionable insights** and support **data-driven decision-making**. Strong **analytical thinking, problem-solving abilities**, and eagerness to contribute to **business intelligence, data analytics, and machine learning initiatives** in a growth-oriented organization.

PROJECTS

Product Catalog (Spring Boot, Java, MySQL)

- Developed a full-stack web application to manage a product catalog with complete **CRUD (Create, Read, Update, Delete)** functionality.
- Implemented RESTful APIs for product management and integrated with **MySQL** database.
- Designed modular architecture ensuring scalability, maintainability, and user-friendly operations.

Sales Data Analysis (Python, Pandas, Matplotlib, Power BI)

- Analyzed a sample retail dataset to identify **top-selling products, sales trends, and customer purchasing patterns**.
- Performed **data cleaning, exploratory data analysis (EDA)**, and created interactive **dashboards in Power BI**.
- Generated insights to support decision-making, such as **monthly sales forecasting and customer segmentation**.

EDUCATION

B.Tech in Computer Science and Engineering (Specialization: Artificial Intelligence)

KIET Group of Institutions, Ghaziabad Current SGPA: **8.45**

2023 – Present

Senior Secondary (Class XII) – CBSE Board Percentage: **93.60%**

2023

Secondary (Class X) – CBSE Board Percentage: **93.60%**

2021

SKILLS

Programming Languages: C, C++, Java, Python, SQL

Tools Technologies: Oracle SQL Server, Ubuntu (Virtual Box), NumPy, Pandas

Core Subjects: Operating System, Object-Oriented Programming (OOP), Database Management Systems (DBMS)

CERTIFICATIONS & INTERNSHIPS

Certifications

- **Cybersecurity Foundation** – Palo Alto Networks
Certificate Link: [View Certificate](#)

14 May 2025

Internships

- **Subject Matter Expert** – LearnAsYouGo
Certificate Link: [View Certificate](#)

17 Oct 2024 – 17 Nov 2024
